Notes:

It is strongly suggested that if a foreign language sequence is started at Westmoreland County Community College, that it be completed at Westmoreland.

It is strongly suggested that if a physics sequence (either PHY 155 & 156 or PHY 255 & 256) is started at Westmoreland County Community College, that it be completed at Westmoreland. The lab portion of each sequence will only transfer if the entire sequence is taken at Westmoreland.

QUESTIONS ABOUT TRANSFERRING TO PITT-GREENSBURG, AND THE USE OF THIS TRANSFER GUIDE

Q. Does Pitt-Greensburg offer the major I want?

A. Pitt-Greensburg offers a wide variety of majors, minors, and pre-professional programs. Each major currently offered at Pitt-Greensburg is listed in this Transfer Guide with Westmoreland equivalent coursework. In addition, students may begin 100+ Pitt majors at the Greensburg Campus and pending approved relocation, complete them at the Pittsburgh Campus. Please consult with your academic advisor before starting this path.

Q. Which of my Westmoreland courses will transfer to Pitt-Greensburg?

A. Pitt-Greensburg will accept up to 60 credits from a Westmoreland student and up to 90 credits from a combination of a 2-year and 4-year work. Only classes in which the student has earned a grade of C or higher can be transferred to Pitt-Greensburg. Additionally, nursing courses must have a grade of B or higher to transfer.

B. Most Associate of Arts (AA) and Associate of Science (AS) degrees will meet our General Education Requirements. That means any AA/AS degree earners can transfer to Pitt-Greensburg and focus on major requirements without having to complete General Education courses. **Some exclusions apply/some majors do not apply to this policy**

Q. Are transfer students required to meet special criteria for entrance into the major of their choice?

A. All transfer students must meet the minimum admission criteria for Pitt-Greensburg. This would include attempting 12 or more credits and maintaining a 2.0+ GPA. Certain majors may require a higher GPA and/or additional requirements (I.E Nursing).

Q. Which of my Westmoreland courses will count toward my Pitt-Greensburg major?

A. Using a current Pitt-Greensburg transfer guide, this question can be easily answered. The guide lists the courses required for each Pitt-Greensburg major that can be taken at Westmoreland. These courses will apply towards the requirements of each specific major as listed. Additionally, a full transfer course list is available at the conclusion of this transfer guide.

Q. How many of my Westmoreland courses will count toward my Pitt-Greensburg major?

A. For students transferring from a two-year institution, the last 60 credits of your degree must be completed at Pitt-Greensburg. Additionally, at least half of the credits in a major must be completed at Pitt-Greensburg.

Q. How do I obtain financial aid?

A. Financial Aid is available to eligible transfer students to help defray the cost of tuition, fees, room, and board at Pitt-Greensburg. A transfer scholarship is available to students who qualify with a 3.0+ GPA. Information on how and when to apply for available financial aid programs is sent to each student at their time of acceptance. Please call 724-836-7471 for any financial aid questions.

Q. Is housing available on the Pitt-Greensburg campus?

A. Yes. There are five residence halls on the Pitt-Greensburg campus. Housing on campus can be limited, so it is recommended that students apply early and adhere to all application deadlines.

Q. Will my diploma say “The University of Pittsburgh at Greensburg” when I graduate?

A. No, your diploma will say “The University of Pittsburgh.”

Q. Is it possible to obtain a credit evaluation?

A. Yes. An unofficial credit evaluation may be obtained after the student has filled out an application and provided all necessary transcripts. An official credit evaluation will be done at the time of enrollment. An unofficial or official transcript from each college or university are required to complete the credit evaluation process. A final high school transcript is not required but is helpful for our advisors to determine if you are exempt from the language requirement.

PITT-GREENSBURG: A BRIEF PERSPECTIVE

Character:

Your experience at Pitt-Greensburg combines the best of both worlds. We offer a small school's intimacy and community with a large school's resources.

Founded:

In 1962, Pitt Chancellor Edward Litchfield announced the creation of a regional campus in Greensburg "to meet the educational needs of our society."

Location:

Located in the heart of the beautiful Laurel Highlands, Pitt-Greensburg's campus is made up of 219 acres located only 35 miles from Pittsburgh.

Residence Life:

Whether you prefer a more traditional-style residence hall or a modern apartment style, Pitt-Greensburg offers a variety of room styles with private or semi-private bathrooms, learning communities and special interest housing.

University Activities:

Pitt-Greensburg offers over 50 clubs and activities on campus. A full list of these clubs can be found at: <https://greensburgpitt.campuslabs.com/engage/organizations>. Don't see one you are interested in, start a new one!

University Athletics:

A proud member of the Allegheny Mountain Collegiate Conference (AMCC) and the Eastern Collegiate Athletic Conference (ECAC), the bobcats have 13 NCAA athletic teams.

- Men's: Baseball, Basketball, Cross Country, Golf, Soccer, Tennis
- Women's: Basketball, Bowling, Cross Country, Soccer, Softball, Tennis, Volleyball

Faculty/Student Ratio & Class Size:

The student/faculty ratio is 16:1 and the average classroom size is 18 students.

Annual Expenses:

Our lower tuition, coupled with generous financial aid and merit-based scholarships delivers a Pitt degree at an affordable cost. Please note these costs are for the 2024-2025 academic year and are before any financial aid or merit-based scholarships.

* Courses listed with a subject course code plus 0000 indicates that credit is accepted as a non-equivalent course.

**Students are encouraged to take both semesters of PHY 155 & 156 at WCCC, or take both semesters of Physics (including lab) at Pitt-Greensburg for a total of 8 credits. Otherwise, students will receive only 3 Pitt-Greensburg transfer credits by taking either PHY 155 or 156 at WCCC.

The designation N/A (not applicable) indicates that the course cannot be used in the Pitt-Greensburg General Education Program. Such courses may, however, apply to a specific program of study, or be used as general electives.

Please note that this guide is effective for students beginning coursework at WCCC for Fall 2021 and beyond **AND** for students transferring to Pitt-Greensburg for Fall 2021 and beyond.

THE MAXIMUM NUMBER OF CREDITS THAT CAN TRANSFER IS SIXTY (60).

If you wish to make an appointment with a Transfer Counselor at Pitt-Greensburg, call (724) 836-9880. You may also contact a Transfer Counselor at WCCC by calling (724) 925-4121.
